

# Make an Impact

Support hand therapy research and education

In its 30+ year history, AHTF has funded many research projects and provided educational scholarships with thousands of dollars given by our generous donors and sponsors.

## Why Support AHTF?

- This is the only foundation in the world that solely supports targeted research and education to advance the rehabilitation of arm and hand injuries.
- Donations support research to improve rehabilitation for conditions such as wrist and hand injuries, thumb pain, arm conditions in newborns, and education for musicians to prevent painful conditions of the hand and arm.

### Key AHTF Stats

Founded in **1989**

**501(c)(3)** non-profit organization

**100%** volunteer board of directors

**4** Named Research Grants

**4** Awards and Scholarship Funds

## Donate to...

- honor a therapist, doctor, or clinic that has made a difference in your recovery.
- honor a person you care about on their birthday, an anniversary, to celebrate a personal achievement, or for a holiday.
- memorialize a colleague or loved one.

*Donate any time as an individual or on behalf of your organization at [www.ahtf.org](http://www.ahtf.org).*

## Make your donation in one of three ways:

### Online

Make your donation online at [www.ahtf.org/donations/donate](http://www.ahtf.org/donations/donate).

### By Mail

Donations made by check must be accompanied by a completed donation form (available at [www.ahtf.org/donations/donate](http://www.ahtf.org/donations/donate)) and mailed to:

AMERICAN HAND THERAPY FOUNDATION  
P.O. BOX 701484 | HOUSTON, TX 77270

### Via Text

Text the word HAND to 345345.
